

The screenshot shows the IBM Data Science Community homepage. At the top, there's a search bar and navigation links for Data Science, Topic groups, Local User Groups, Events, Participate, and Data Science Elite. A prominent red arrow points from the "Learn" section text down to the "AI Skills" and "Hands On" sections. Another red arrow points from the "Share" section text down to the "Local Groups" section. A third red arrow points from the "Engage" section text down to the "Events" section.
